Motorcycle insurance buying checklist

About the bike

- Year, make, model and engine size
- Purchase price and loan, if any
- Custom parts and accessories with receipts
- Where it's stored

Coverage choices

- Liability limits
- Uninsured motorist
- Medical payments
- Collision and comprehensive
- Accessory coverage limit
- Passenger coverage
- Off-season or storage options

Before you buy

- Quote two or three bikes
- Ask about rider-course discounts
