SR-22 insurance checklist (Missouri and Kansas)

Before you call

- The letter or notice from the state
- Case or reference number
- Driver's license number
- Whether you own a vehicle (standard policy) or not (non-owner policy)
- Date the filing must be on file

After the filing

- Keep a copy of the SR-22 and the policy
- Set automatic payments so the policy never lapses
- Ask the state how long the filing must stay on file
- Don't cancel the policy before the requirement ends

If you move or change cars

- Tell your agent before the change
- A filing may need to be refiled with a new policy or state
